

**Item Name :** Muscular figure 30 Parts

**Item Code :** 4023.2008.01

**Item Description :**

This 1/2 life size high quality model represents a replica of the complete human muscular and organs anatomy. It illustrates with excellent detail the superficial and deeper muscles, tendons, ligaments, vessels and body structures. The internal organs are removable for closer examination to study the relationships among all the body structures.
