

**Item Name :** Polyhedron And Their Net

**Item Code :** 7136.2008.01

**Item Description :**

Introduce students to solid geometry and investigate their shapes, faces, vertices, edges, curves, and angles with this 12-piece set of plastic 3D shapes and their Net. Teaching geometry and measuring facts is easy by understanding by 3D geometric shapes with their net. One set of 12 solid figure and 3D nets
